

**Hobe Sound Bible College**  
**ADE Tuition Scholarship Application (Student Aid)**

In an effort to make education available to as many people as possible, Hobe Sound Bible College tries to provide a means of tuition assistance, whenever possible, to students who have financial need.

As funds are available, Hobe Sound Bible College provides limited scholarships, normally up to 25% of the tuition, to students who lack other forms of financial aid and who demonstrate a need for financial assistance.

In order to determine eligibility, students must meet criteria in the following three areas:

1. Students must demonstrate financial need. This means that they must show that they are not eligible for Pell Grants, VA assistance, Bright Futures (for Florida Students), or other forms of tuition assistance.
2. Students must maintain a minimum of a 2.0 grade point average on a 4.0 scale. If a student fails to maintain a 2.0 average, he or she will be placed on probation for the next session and must bring the grade up to an acceptable level. If a 2.0 average cannot be maintained the student will no longer be eligible for the tuition assistance program.
3. Students must be in agreement with the mission statement and purpose of the school program. As a Christian institution we strive to develop character and integrity in all our students. Any lack of honesty in school work (plagiarism), lack of integrity in posting materials on line, or acting in any way deemed questionable or against Biblical conduct, will come under review for future tuition assistance.
